boocopyright.com

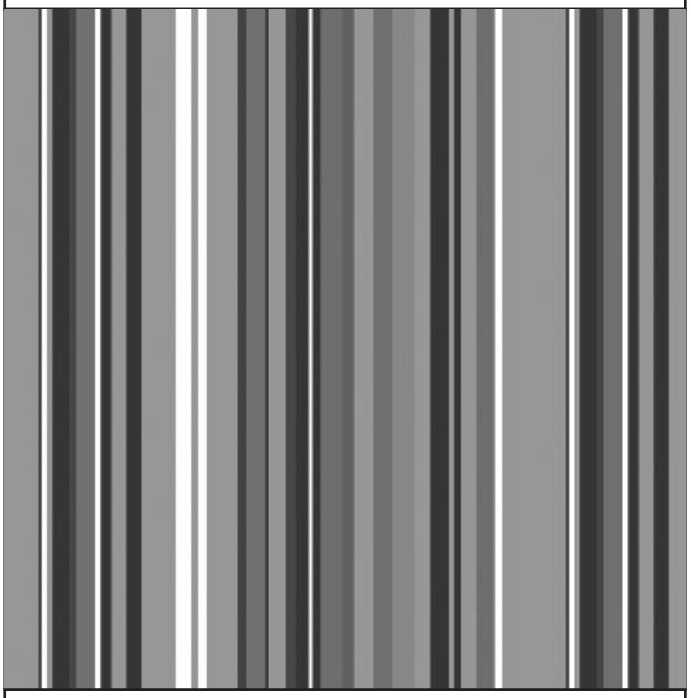
do you like to have your mind confused?

read these single, randomly collected pages, each copied from a different book – does your head in, right? join boocopyright.com! it´s easy:

add a page, copied from your favourite book.

fill in your address below if you would like to receive some of the collections in the future.

copy all pages including this one and send them to some open-minded people you know. (maybe to some addresses listed below, too).



the guy who generated this project would be happy to receive some copies, too – uwe lübbermann, eppendorfer weg 74, 20259 hamburg, germany.
